ABOUT THE CONVENTION

Visakhapatnam, popularly known as Vizag, is a picturesque coastal city on the eastern coast of Andhra Pradesh along the Bay of Bengal. Nestled between the Eastern Ghats and the sea, it blends natural beauty, cultural heritage, and modern urban development. The city is known for its pristine beaches, scenic hills, lush greenery, and pleasant climate. A major center for education, industry, and healthcare, Visakhapatnam hosts premier institutions and advanced infrastructure. Well connected by air, rail, and road, it offers attractions such as RK Beach, Kailasagiri, Araku Valley, Borra Caves, and Simhachalam Temple, making it ideal for academic conferences and tourism.

"Imagine, Innovate, Illuminate" reflects the spirit of Oral Medicine and Radiology in shaping the future of dental science. The theme emphasizes envisioning advanced diagnostic possibilities, fostering innovation through research and technology, and illuminating clinical practice with evidence-based knowledge to enhance patient care, precision diagnosis, and interdisciplinary collaboration.

MESSAGE FROM THE ORGANIZING CHAIRMAN

It is my great pleasure and honor to welcome you to the National Convention of Oral Medicine and Radiology, themed "Imagine, Innovate and Illuminate". This year's convention offers a vibrant academic programme designed to enrich delegates knowledge and promote collaborative research. With the support of a dedicated and enthusiastic organizing team, we have worked tirelessly to deliver an engaging and memorable event. The convention provides an excellent forum to update your knowledge, explore recent research advances, innovations, and evolving treatment modalities, while enjoying meaningful professional networking. Your visit to the City of Destiny will be professionally rewarding and memorable truly.
